ABOUT THE CLERGY

The Rev. Timothy J. Patterson, Rector • Tim earned his B.A. from Duke University and his M.Div. from Duke Divinity School. After varied experiences working with autistic young people, serving as a Hospice volunteer, completing two years of Clinical Pastoral education at Duke Medical Center, and working over five years as a psychiatric counselor, Tim followed the call into ordained ministry. He returned to school at General Theological Seminary in New York City to fulfill the ordination requirement for Anglican studies and completed the two year program in Spiritual Direction at the Center for Christian Spirituality. Tim came to Greensboro in 1989 to serve as Assistant to the Rector at Holy Trinity, being ordained as a priest in 1990. He was called as Rector of Holy Trinity at the end of 1996. Tim has also taken a leadership role in ecumenical ministries in the community, being primary founder of the Guilford Regional AIDS Interfaith Network (GRAIN), Higher Ground Day Center, The Barnabas Network and The Servant Leadership School of Greensboro. Tim's wife, Kathleen Forbes, is an educational administrator at UNCG.

The Rev. Ginny Bain Inman, Associate Rector • Ginny was born and raised in central Florida. She graduated from Randolph-Macon Woman's College in Virginia, with degrees in Politics and Religion. Ginny continued to explore the relationship between culture and religion by simultaneously studying law and faith at Vanderbilt University, graduating with a law degree (JD) and a divinity degree (M.Div.). She practiced corporate law for several years before answering an unrelenting call to the priesthood. Ginny has served churches in Washington, D.C., Winston-Salem, N.C. and Augusta, Georgia and is a life-time lover of Kanuga. Ginny serves on the diocesan committee for Constitution and Canons and the Nominating Committee for the next Bishop and chairs the Task Force for Christian Formation. Ginny is married to Stephen, a fellow Vanderbilt law alum, who works as an Assistant U.S. Attorney. In her most daring undertaking to date, she is the mother of two young sons Eli and Sam, who spend most of their days as superheroes.

The Rev. Sarah Carver, Associate Rector • Sarah was born and grew up in Northern Michigan. She graduated in 2000 from Alma College with a degree in Biology. A short time later, she began discerning a call to ministry and eventually graduated from the General Theological Seminary in 2007 with her M. Div. and began her ordained ministry in the Diocese of Eastern Michigan as Missioner to Young Adults. When parish ministry became Sarah's vocational focus, she led a small parish in Midland, Michigan and began studying clinical social work at Michigan State. In 2013, Sarah graduated with her Masters in Social Work and worked bi-vocationally between the parish and the hospital as an oncology social worker. In addition to her local work, Sarah also served the diocese as Chair of the Commission on Ministry, and as a member of INC055, a task force appointed by General Convention in 2009 to work with the United Thank Offering. Sarah has continued her work with the UTO as an appointed member. Sarah is married to Peter, a polymer scientist with Eastman Chemical, and together they are raising their daughter, Elora. In 2014 they moved to Greensboro and shortly after, Sarah began her work in the Diocese of North Carolina. Sarah and Peter have been delighted to get to know their new community, and pleased that they only rarely have to shovel snow.

The Rev. Greg Farrand, Associate Rector • Greg spent the majority of his childhood in Japan and Taiwan returning to the States as a teenager and attending St. Andrew's Episcopal Prep School in Bethesda, MD. His parents, dyed in the wool Episcopalians, raised him in this tradition but as an act of teenage rebellion, Greg became a Presbyterian. He moved to NC to attend UNC-Greensboro and married his wife Beth a week after graduation in 1994. They moved to Uganda, East Africa to serve a number of years as missionaries then returned to NC to begin studies at Reformed Theological Seminary and serve as Director of College Ministries for a Presbyterian Church. After graduation and ordination in the Presbyterian Church in 2002, Greg planted a church in downtown Greensboro and served as Senior Pastor for almost nine years. Subsequently Greg and Beth served as Co-Executive Directors of Selah Spiritual Formation, a non-profit focused on spiritual direction and retreat leadership. In 2011, Greg was invited to join the staff at Holy Trinity to serve the Youth and Young Adults. Through this process, he returned to the Episcopal fold of his youth to his parents great delight. He has an amazing wife and three teenage sons who keep him young.

The Rev. Nathan Finin, Associate Rector • Originally from Boston, Nathan was raised in Wilmington, NC with his twin sister. He is a 2004 graduate of the University of North Carolina at Chapel Hill with a BA in Philosophy and a BA in Political Science, and a 2008 graduate of Yale University with the Masters of Divinity degree. Nathan and his wife Kaitlin enjoy live music, good books, and spending time with their son, Beckett, and English Bulldog, Dan.

Labyrinth Keepers: The Labyrinth Keepers is an ecumenical group dedicated to providing education and opportunities for people to experience transformation through walking the labyrinth. The group meets the first Monday of each month at 4:30 p.m. in Smyth Library. Children and Family Ministries seek to nurture your child's relationship with God through opportunities that introduce the life, love and example of Jesus. Our aim is to partner with families in the parent/child journey of discovery towards a life of discipleship and faith. Children bring particular gifts of joy and wonder to the church. As children begin their walk with God, we hope to nurture this vital relationship with encouragement and guidance. We also understand the significance of encouraging meaningful friendships among children and creating faith-filled bonds between parents, leaders and children. Children's values and beliefs are first formed within the context of their family and part of our mission is to support parents as they develop and strengthen their own relationship with God.

Sunday Morning Family Worship Options

Families with young children who find it difficult to sit still through the worship service are invited to worship in All Saints Chapel at the 9 a.m. service. A live video feed allows everyone to follow along with the service while giving younger children a bit more freedom to move about. All worshippers in the Chapel are invited to join us in the Church for Eucharist. For families with children, green Holy Trinity worship bags are available for our youngest members from the baskets in the Narthex and outside All Saints Chapel. These bags contain a variety of quiet ways to occupy small hands. Please return the bags and their reusable contents to the baskets after the service.

Nursery Care: A warm and welcoming environment demonstrates God's love to our youngest children. Nurseries are located on the first floor of the Parish House.

Infant & Toddler-Room 105 Preschool-Room 103

Nurseries for children ages 4 and younger are offered Sundays from 8:45 a.m. - 12:30 p.m. Preferred Childcare, Inc. provides childcare service. Nurseries are also provided by request during select events.

Children's Chapel: Offered during the 9 a.m. service for children in Pre-K-2nd grade. Children may be dropped off from 8:45-9 a.m. on the second floor of the Parish House in Room 213. Children hear a Bible story based on the Gospel lesson for the day, sing songs and pray. The children take turns serving as acolytes, crucifer and ushers. Children attending Children's Chapel join their parents in the Sanctuary at the Peace for Eucharist.

Sunday School Classes

Sunday school classes are held from 10:15–11 a.m. Three-year-olds hear the simple stories about Jesus in a warm and nurturing learning environment. Children in Pre-K through fourth grade use the Godly Play method led by trained teachers. The focus of Godly Play is learning the sacred stories of our faith in such a way that the stories are inscribed on the children's hearts.

Fifth through Twelfth graders meet on Sunday mornings in the Youth House, 10:15–11 a.m., using curriculum from "Feasting on the Word" based on Sunday's lectionary reading. To meet the changing needs of Ninth through Twelfth graders, we offer several options, including study and service. On Sunday mornings, these older youth can volunteer in Children's Chapel (8:45–9:45 a.m.) or as doorkeepers in our Three-Year— Fourth Grade Sunday school program or they can attend the class in the Youth House or one of the adult classes. To volunteer, contact marjorie@holy-trinity.com.

Lord's Prayer Milestone for 1st & 2nd Graders

Our 1st and 2nd graders will lead the congregation in the Lord's Prayer at the 9 a.m. service on Sunday, October 1 as part of our Milestones Ministry. Prayer is the language of the heart. It is a pathway to God. We want children from an early age to learn the words of the prayer that Jesus taught us so that they can join in praying together when we worship. To prepare, on Sunday, September 10 and Sunday, September 17 at 10:15 am, children will attend a Lord's Prayer Sunday school class. On Sunday, September 24 at 10:15 am, parents and their children join the Rev. Nathan Finnin and Marjorie Donnelly in All Saints Chapel for a special lesson on prayer.

He, She, We and God for 5th and 6th Graders

He, She, We and God Sexuality Program for 5th and 6th graders will be offered during the weekend of March 2 and 3, 2018. This program is only offered every other year, and is well worth your family's investment of time and energy.

Parents and potential confirmands (9th grade and older) are invited to an informational meeting on Sunday, November 19 from 10:15–11 a.m. in All Saints Chapel with the Rev. ADULT FORMATION

Looking for a way to connect with others and deepen your spiritual journey? Sunday morning adult Christian Formation classes, offered most weeks at 10:15 a.m., are the perfect way to find a “small” church within the larger one. Make friends, learn about the history of our faith, and find new ways to apply spiritual lessons to your everyday life.

Green Term 1: September 10–October 1

My Life with the Saints: Historically, a saint is an ordinary person who has led an extraordinary life of faith and impact. From Saint Teresa of Ávila to St. Francis, each week we will explore the story and teachings of various saints and how they have influenced and impacted our lives. *Led by the Rev. Greg Farrand and the Rev. Ginny Inman, Broome Hall.*

First Light: Jesus and the Kingdom of God: Why did Jesus happen when he happened? Why the confluence of the Baptism movement of John and the Kingdom movement of Jesus? Why the tiny villages around the Lake? Why the confrontations in Jerusalem? Why then? Why there? First Light is a 12-session DVD and web-based study of the historical Jesus and the Kingdom of God with two of the world’s leading Jesus scholars, Marcus Borg and John Dominic Crossan. It includes beautiful video footage shot on location throughout Galilee and Jerusalem. This series serves as a very compelling summary of contemporary New Testament scholarship, as well as a good view of many of the holiest sites in Israel. *Led by the Rev. Nathan Finnin and the Rev. Sarah Carver, Roe Library.*

History Behind the Headlines: We live in an unsettled, complex and rapidly changing world. There continue to be surprising, and sometimes alarming, developments, shifts and challenges to the world we thought we knew. In this class, we will dig down into the historical roots of several of the current “hot spots.” *Led by Dr. Jeff Jones, Professor of History at UNCG, Haywood Duke Room.*

Green Term 2: October 22–November 19

Inventing Hell: Dante, The Bible, and Eternal Torment: Hell: The word means terror, darkness, and eternal separation from God. However, the concept and significance of hell in our faith tradition and the popular imagination has changed over time. Using the book *Inventing Hell* by Jon Sweeny as a springboard, we will explore hell’s “evolution” from the Old Testament Sheol to New Testament references, through history and literature, to the greatest influencer of all: Dante’s *Inferno*. *Taught by the Rev. Greg Farrand, the Rev. Ginny Inman, and Dr. Tony Cuda, Broome Hall.*

First Light: Jesus and the Kingdom of God: *See description above.*

History Behind the Headlines: *See description above.*

Advent Term: December 3–December 17

Beholding The Beauty of God: Praying with Icons: Icons are more than ethereal religious art. Historically, they have been a way of “gazing into heaven,” a real means for connecting us with God and his love. Icons can be living prompts for our prayers and reminders of the world that exists beyond the limitations of this temporal one. Each week we will learn the history and significance of a famous icon and together explore this ancient practice of presence and prayer. *Taught by the Rev. Greg Farrand and the Rev. Ginny Inman, Broome Hall.*

Biblical Resources for Hope in Challenging Times: For more than two millennia, people have looked to the Bible for insight into some of the most profound questions we face as humans. But the decline of the authority of scripture, the face of science, changing cultural norms, and less familiarity with the contents of the text sometimes lessens the impact of the text for contemporary people. This three-week series will explore where and how our communities can still locate within its pages resources that assist us in meeting today’s challenges.

Week One: Where There is No Vision, The People Perish

Week Two: To Guide Our Feet Into the Way of Peace

Week Three: The Greatest of These is Love

Led by Dr. Sandie Gravett, Professor of Philosophy and Religion, Appalachian State University, Haywood Duke Room.

First Light: Jesus and the Kingdom of God: *See description on the left.*

Hot Dish and Hope

As one of the StepUp ministries, Hot Dish and Hope gives us another opportunity to put our faith into action as we serve dinner and a “measure of hope” to individuals and families in need. The fourth Tuesday of each month is Holy Trinity’s turn to host the dinner. Volunteers are needed to prepare the dining area, pass out dinner, and help clean up. We will meet at 5:30 p.m. in the Mullin Life Center at First Presbyterian Church located in the 700 block of Greene Street. Parents can pick up their youth at 7 p.m.

College Freshman Friends

Holy Trinity has a highly successful outreach designed to keep college freshmen connected to their parish family through their first year of college by pairing them with a volunteer College Freshman Friend (or “CFF”). Each CFF is paired with one college freshman to contact via US mail early in the first semester just to wish them good luck, then again during first and second semester exams to send a small care package. The CFF is also asked to remember the freshman on their birthday and on Valentine’s Day. Please contact Knox Barker at knoxbarker@bellsouth.net to volunteer or add your college freshman to the list to be assigned to a CFF.

Foyer Groups

Foyer Groups are a fun and easy way for parishioners to gather for a meal on a regular but informal basis for purely social reasons, to enjoy one another’s company, to strengthen community bonds, to meet new members and just get to know other people who share Holy Trinity as their spiritual home. They provide an easy means to develop new friendships and deepen old ones. Groups are made up of singles, couples, young people, retired people, everybody! *Foyer group sign up begins in August.*

Psalm 95:1-2

"Come, let us sing to the Lord; let us shout for joy to the Rock of our salvation. Let us come before his presence with thanksgiving and raise a loud shout to him with psalms."

SERVANT LEADERSHIP

The Servant Leadership School of Greensboro continues to offer classes for spiritual formation at Holy Trinity, for both our own members and the broader ecumenical community. Please pick up a school brochure at church information stations or visit www.servantleadergreensboro.com for more details.

Core Classes

SL1: Putting on the Mind of Christ: Servant Leadership offers a fresh, practice-oriented path of Christian spirituality for the 21st century, connecting our faith with our everyday life by blending the inward journey of prayer, presence, and personal transformation with the outward journey of love-in-action and sacred service in the world. In this course, we will step into the paradigm shift at the heart of Jesus' proclamation of the Kingdom of God, connecting this to the paradigm shift currently unfolding in contemporary science and cosmology. We will introduce the three central practices of Servant Leadership: Communion, Compassion, and Co-Creation, designed to awaken and open the deeper intelligence of the mind, heart, and body. We understand the shift from a dualistic, ego-centered consciousness to a more unitive consciousness, flowing from this three-centered knowing, to be a practical way of "putting on the mind of Christ." *Led by the Rev. Greg Farrand.*

Tuesdays, 6–8 p.m. September 12–October 31 or Thursdays, 10 a.m.–12 p.m., September 14–November 2 (8 weeks)

SL2: The Divine Therapy: The focus of this class is on deepening our inner journey of personal awakening, so that we can be more whole and integrated people in our outer work of fulfilling God's desire for a transformed world. The class will offer practices and experiences to awaken us to our heart's true desires and our false-self strategies, revealing how we habitually handle the parts of ourselves (and others) that we do not like. Working with the Enneagram, Centering Prayer, and a variety of small group exercises, we will practice welcoming and holding space for those places in ourselves and others, learning to live more authentically connected and more holistically compassionate lives. *Led by Summer Estes, LPC.*

Tuesdays, 6–8 p.m., September 12–November 14 or Thursdays 10 a.m.–12 p.m., September 14–November 16 (10 weeks)

Companion Classes

“Come & See”: Servant Leadership in Action: “Servant leadership” is not just a course of study but a way of living in service to God’s dream for a transformed world. Over the years, numerous ministries and nonprofits have been born as a result of students discerning a sense of call in their community. This brown bag lunchtime discussion group will offer opportunities to “come and see” the work that is currently being done on a local level on issues like immigration, homelessness, criminal justice reform, hunger, poverty, healthcare, and environmental justice. We’ll hear from experienced servant leaders working with organizations right here in Greensboro, and provide opportunities for reflection and discernment as well as resources for becoming involved.

Facilitated by the Rev. Frank Dew & Kristen Leigh Southworth, M. Div.

Mondays, 12-1:30 p.m., September 11-November 6 (9 weeks)

Becoming Navigators for Children in Poverty: We know that poverty hurts children in our community. We will examine what poverty is and how it impacts children in and out of school. We will consider strategies that might be of service to children and how to recognize not only the challenges but the strengths of people living in poverty. We will have opportunities to learn about ways to engage with vulnerable children in our community. *Led by Dr. Ruth Anderson.*

Mondays, 3–4:30 p.m., September 18-October 2 (3 weeks)

Sacred Activism: Being Present to Children in Poverty: For over ten years, a small group of people have been working together to support local children living in poverty through our work with Partnership Village, a local transitional housing community. We visit with the children on Tuesday and Thursday afternoons to provide loving presence and tutoring support as they do their homework. We also offer them healthy snacks, books, and other materials. Join us for any one of our four monthly meetings to learn more about this form of servant leadership and discover how you might become more involved.

Facilitated by Dr. Ruth Anderson and other spiritual activists.

Mondays, 4–6 p.m., August 28, September 25, October 30 and November 27

Writing From the Heart: This expressive writing workshop will provide you with the opportunity to write about what matters most to you. In a small group setting, we will engage in structured writing exercises and read and discuss writing that deals with matters of the heart and spirit. We will look at ways of generating ideas about your unique experiences and then sharing those ideas in a comfortable environment. Previous experience or comfort with writing is not necessary. *Led by Steve Cushman, MFA.*

Mondays, 6–8 p.m., September 11-October 16 (6 weeks)

Prayerful Yoga: Prayerful Yoga is a moving meditation that links mind, breath, and body, and encourages participants to surrender to the present moment. Prayerful yoga is suitable for all body types and those with some yoga experience. Together, we will place ourselves in an environment where the movement and meditation draws us closer to “the vital nucleus of things” and helps us listen to our own truth through our shared experience. Please bring a mat or large towel and light blanket. *Led by Linda Hiatt, 200-hour Registered Yoga Teacher.*

Tuesdays, 9:30-11 a.m., September 12-November 14 (10 weeks)

Contemplative Prayer: We sit in a circle, take three deep breaths, and then enter into 20 minutes of silence together. After the silence, there is an opportunity to share prayer requests for the week, and to pray for ourselves, our community, and our world. No registration is required. Feel free to drop in on any session. Beginners are always welcome. *Led by Dr. Ruth Anderson.*

Wednesdays, 12-12:30 p.m., September 13-November 15 (10 weeks)

Let Your Life Speak: Designing & Living a Life You Love: When we find ourselves at a crossroads, in a rut, or facing a time of transition, we have the opportunity to craft a new life vision. Drawing from the wisdom of Parker Palmer and utilizing a variety of interactive teaching and group coaching methods, this course will help you to reflect on your current life status, explore your unique life vision, and begin to craft a clear and compelling path for living into the life you've always imagined. Through this work, participants will build a network of support and continuing growth for moving into the next stage of their lives. *Led by Carol Lucas, MPH, BSN and Certified Health & Wellness Coach.*

Wednesdays 6-8 p.m., September 13–October 18 (6 weeks)

Men's Spirituality Group: The Men's Spirituality Group is designed to help men grow in relationship, mutual and self-understanding, and spirituality. Our philosophy is based on Richard Rohr's *Reflections on Male Spirituality*. We operate through selected readings, individual sharing, open and confidential listening, and various spiritual practices. *If you would like to join us, please contact Dick Weller at (336) 897-2503. Led by Members of the Men's Spirituality Group.*

2nd and 4th Wednesdays of each month, 5:30–8 p.m., starting September 13

Workshops

Introduction to the Enneagram: The Enneagram is a unique model of understanding human behavior that is based in ancient wisdom and informed by contemporary psychology. It identifies nine personality types as different ways of understanding and responding to the world, thus offering a path for deeper self-awareness and greater love of self and others. We will explore the three "centers of intelligence" and the nine expressions of personality found within them. This workshop will be helpful for those who are new to the Enneagram, as well as those who have already been introduced to it but want to expand their understanding. Knowledge of your Type is not necessary, but if you would like to begin the process of discovering it, you can take the online test available at www.enneagraminstitute.com. *Led by: Marjorie Donnelly, M.Ed. and certified Enneagram Teacher.*

Saturday, October 7, 10 a.m.-1 p.m.

Co-Creation in Contemplative Singing & Chant: Those who came to last year's Singing & Chant as a Spiritual Practice workshop, or anyone who feels drawn to singing as a form of spiritual practice, will enjoy this new workshop that invites participants into an even deeper level of understanding the practice of chant singing in the context of co-creation. We will explore the spirituality of improvisation, and learn how to listen for what is asking to be born both in group and individual contexts. Participants will learn skills for facilitating group singing in their own communities, and build a repertoire of songs that can be sung in a variety of spiritual settings by people of all ages and musical experience. *Led by Kristen Leigh Southworth, M.Div. and professional singer-songwriter.*

Saturday, November 4, 10 a.m.-12 p.m.

Breath as a Pathway to Presence: This workshop is designed to introduce both new and experienced participants to two powerful breath work modalities: coherence breath and Transformational Breath®. We will create a safe space for participants to experience the physical, emotional, and spiritual benefits of breath work, and work with our three centers of intelligence: body, heart and mind. Conscious connected breathing practices are an ancient path for creating fertile ground from which the wisdom of our heart can arise. This one-day, experiential workshop is limited to 14 participants. *Led by Summer Estes, LPC and Certified Transformational Breath Facilitator; Christine Edwards & Tony Castle, Certified Transformational Breath Trainers; the Rev. Timothy Patterson and the Rev. Gregory Farrand.*

Saturday, November 11, 9:30 a.m.–4:30 p.m.

Centering Prayer Workshop by Nexus Journey®: We may think of prayer as thoughts or feelings expressed in words, but this is only one expression. In the Christian tradition, contemplative prayer is considered to be the pure gift of God. It is the opening of mind and heart — our whole being — to God. Through grace, we can open our awareness to God, whom we know by faith is within us, closer to us than breathing, closer to us than thinking, closer than consciousness itself. Centering prayer is designed to facilitate the development of contemplative prayer by preparing our faculties to receive this gift. It is an attempt to present the teaching of earlier times in an updated form. This workshop is sponsored by Nexus Journey and is part of a weekend-long retreat at St. Francis Springs Prayer Center. The cost of the workshop is \$55. For more information, visit www.nexusjourney.org, or call 336-323- 8957. *Led by Dr. Robert C. Shield, Senior Pastor of Trinity United Methodist Church in Beaumont, TX.*

Friday, October 20, 10 a.m.–3 p.m. — Christ United Methodist Church, 410 N. Holden Rd., Greensboro, NC

This can look like disappointments in life, losing a job or a loved one, or those struggling with anxiety, depression, or physical pain.
