# ABOUT THE CLERGY

**The Rev. Timothy J. Patterson, Rector** • Tim earned his B.A. from Duke University and his M.Div. from Duke Divinity School. After varied experiences working with autistic young people, serving as a Hospice volunteer, completing two years of Clinical Pastoral education at Duke Medical Center, and working over five years as a psychiatric counselor, Tim followed the call into ordained ministry. He returned to school at General Theological Seminary in New York City to fulfill the ordination requirement for Anglican studies and completed the two year program in Spiritual Direction at the Center for Christian Spirituality. Tim came to Greensboro in 1989 to serve as Assistant to the Rector at Holy Trinity, being ordained as a priest in 1990. He was called as Rector of Holy Trinity at the end of 1996. Tim has also taken a leadership role in ecumenical ministries in the community, being primary founder of the Guilford Regional AIDS Interfaith Network (GRAIN), Higher Ground Day Center, The Barnabas Network and The Servant Leadership School of Greensboro. Tim's wife, Kathleen Forbes, is an educational administrator at UNCG.

**The Rev. Sarah Carver, Associate Rector** • Sarah is a transplant to North Carolina having been born and raised in Northern Michigan. It was after graduating from Alma College with a degree in Biology that Sarah began discerning a call to ordained ministry. In time, she graduated from the General Theological Seminary with her M. Div. and began her work in the Diocese of Eastern Michigan as Missioner to Young Adults. When parish ministry became Sarah's vocational focus, she led a small parish in Midland, Michigan and began studying clinical social work at Michigan State. In 2013, Sarah graduated with her Masters in Social Work and worked bi-vocationally between her parish and the local cancer center as an oncology social worker. Since joining the Holy Trinity ministry team in 2015, she has enjoyed working with this incredible congregation to serve the needs of the community. Sarah is married to Peter, a polymer scientist with Eastman Chemical, and together they are raising their daughter, Elora, and two greyhounds, Zena and Dean.

**The Rev. Greg Farrand, Associate Rector** • Greg spent the majority of his childhood in Japan and Taiwan, returning to the States as a teenager and attending St. Andrew's Episcopal Prep School in Bethesda, MD. His parents, dyed in the wool Episcopalians, raised him in this tradition but as an act of teenage rebellion, Greg became a Presbyterian. He moved to NC to attend UNC-Greensboro and married his wife Beth a week after graduation in 1994. They moved to Uganda, East Africa to serve a number of years as missionaries then returned to NC to begin studies at Reformed Theological Seminary and serve as Director of College Ministries for a Presbyterian Church. After graduation and ordination in the Presbyterian Church in 2002, Greg planted a church in downtown Greensboro and served as Senior Pastor for almost nine years. Subsequently Greg and Beth served as Co-Executive Directors of Selah Spiritual Formation, a non-profit focused on spiritual direction and retreat leadership. In 2011, Greg was invited to join the staff at Holy Trinity. Through this process, he returned to the Episcopal fold of his youth and was ordained as a priest in 2016. Greg and Beth have three sons.

**The Rev. Nathan Finin, Associate Rector** • Originally from Boston, Nathan was raised in Wilmington, NC with his twin sister. He is a 2004 graduate of the University of North Carolina at Chapel Hill with a BA in Philosophy and a BA in Political Science, and a 2008 graduate of Yale University with the Masters of Divinity degree. After finishing Divinity School, Nathan served for 2 years at St. Mary's Episcopal Church in Kinston, NC. He moved to Greensboro in 2010 to become Chaplain for Canterbury School, where he served until joining Holy Trinity full time in 2016. Nathan and his wife Kaitlin enjoy live music, good books, and spending time with their son, Beckett, and English Bulldog, Dan.

Children and Family Ministries seek to nurture your child's relationship with God through opportunities that introduce the life, love and example of Jesus. Our aim is to partner with families in the parent/child journey of discovery towards a life of discipleship and faith. Children bring particular gifts of joy and wonder to the church. As children begin their walk with God, we hope to nurture this vital relationship with encouragement and guidance. We also understand the significance of encouraging meaningful friendships among children and creating faith-filled bonds between parents, leaders and children. Children's values and beliefs are first formed within the context of their family and part of our mission is to support parents as they develop and strengthen their own relationship with God.

### **Sunday Morning Family Worship Options**

Families with young children who find it difficult to sit still through the worship service are invited to worship in All Saints Chapel at the 9 a.m. service. A live video feed allows everyone to follow along with the service while giving younger children a bit more freedom to move about. All worshippers in the Chapel are invited to join us in the Church for Eucharist. For families with children, green Holy Trinity worship bags are available for our youngest members from the baskets in the Narthex and outside All Saints Chapel. These bags contain a variety of quiet ways to occupy small hands. Please return the bags and their reusable contents to the baskets after the service.

**Nursery Care:** A warm and welcoming environment demonstrates God's love to our youngest children. Nurseries are located on the first floor of the Parish House.

**Infant & Toddler—Room 105    Preschool—Room 103**

Nurseries for children ages 4 and younger are offered Sundays from 8:45 a.m. –12:30 p.m. Nurseries are also provided by request during select events.

**Children's Chapel:** Offered during the 9 a.m. service for children in Pre-K–2nd grade. Children may be dropped off from 8:45–9 a.m. on the second floor of the Parish House in Room 211. Children hear a Bible story, sing songs and pray. The children take turns serving as acolytes, crucifer, and ushers. Children attending Children's Chapel join their parents in the Church at the Peace for Eucharist.

### **Sunday School Classes**

Sunday school classes are held from 10:15–11 a.m. Three-year-olds hear the simple stories about Jesus in a warm and nurturing learning environment. Children in Pre-K through fourth grade use the Godly Play method led by trained teachers. The focus of Godly Play is learning the sacred stories of our faith in such a way that the stories are inscribed on the children's hearts.

Fifth through Twelfth graders meet on Sunday mornings in the Youth House, 10:15–11 a.m., using curriculum from "Feasting on the Word" based on Sunday's lectionary reading. To meet the changing needs of Ninth through Twelfth graders, we offer several options, including study and service. On Sunday mornings, these older youth can volunteer in Children's Chapel (8:45–9:45 a.m.) or as doorkeepers in our Three-Year–Fourth Grade Sunday school program or they can attend the class in the Youth House or one of the adult classes. To volunteer, contact marjorie@holy-trinity.com.

5th–12th Grade**

### **Rite 13 Liturgy**

We mark the rite of passage from childhood to adulthood during the Rite 13 Liturgy, which will take place on Sunday February 24 at the 9 a.m. service. This is part of the milestone ministry for children who have turned or will turn 13 this year. The Rite 13 preparation for youth will take place during the Sunday school hour on January 27 and February 3. On February 10, parents and children will meet with the Rev. Nathan Finnin and Marjorie Donnelly in All Saints Chapel. Contact marjorie@holy-trinity.com to sign up.

### **Discovering God's Word for 3rd & 4th Graders**

We want children from an early age to learn and explore scripture so that they understand the Bible as the living word of God. Every other year, we give our 3rd and 4th graders a Bible of their own. Presenting them with a Bible during worship reiterates that scripture is the touchstone of our faith and invites them to connect their lives with the great story of God's love. To prepare children for this milestone in their lives, we have planned the following special events: Sunday, January 6 and 13 at 10:15 a.m. children will attend Bible Sunday school classes in their regular classroom. Sunday, January 27 at 10:15 a.m. children and their parents will meet in All Saints Chapel with the Rev. Nathan Finnin and Marjorie Donnelly. Sunday, February 3 at 9 a.m. children will receive Bibles during the worship service followed by a "Bible Bash" with special refreshments and fun Bible activities during Sunday school.

### **Youth Confirmation**

Teens (9th grade and older) prepare for confirmation during a potluck dinner and team building Sunday, January 13; five Sunday morning classes January 27 – March 3 (skipping February 17); a dinner and instructed Eucharist Wednesday, February 13; a service project on Tuesday, March 5 during Mardi Gras; and a dinner meeting with mentors on Wednesday, May 8. # ADULT FORMATION

Looking for a way to connect with others and deepen your spiritual journey? Sunday morning adult Christian Formation classes, offered most weeks at 10:15 a.m., are the perfect way to find a “small” church within the larger one. Make friends, learn about the history of our faith, and find new ways to apply spiritual lessons to your everyday life.

## Epiphany Term: January 27–March 3

**Gratefulness: Life as a Whole Hearted Journey:** *“Everything is a gift. The degree to which we are awake to this truth is a measure of our gratefulness, and gratefulness is a measure of our aliveness.”* -Brother David Steindl-Rast. In this class we will traverse the subtle terrain of “wholeheartedness” as both “antidote to exhaustion” and as what becomes available when we live with immediacy. We will explore what it means to move through life as a “pilgrim”, letting go of what no longer serves us, taking nothing for granted, and being willing to show our gratefulness for our particular gifts by allowing them full expression in the world. Using the work of David Whyte, Br. David Steindl-Rast, and Lynne Twist as a spring board, we will explore this life changing subject through video, reflection, discussion and spiritual practice. *Facilitated by the Rev. Greg Farrand and others, Broome Hall.*

**Living the Questions:** Living the Questions features a video series that explores the best of today’s theological thought, and invites conversation among participants where together we can strive to explore what’s next for Christianity. In this class, 35 of today’s leading religious voices will help guide us through three phases of exploration: • Invitation to Journey • Honoring Creation • Call to Covenant. *Classes and discussions are facilitated by Rev. Sarah Carver and Rev. Nathan Finnin, Roe Library*

**History Behind the Headlines: (1/27–3/10).** We live in an unsettled, complex and rapidly changing world. There continue to be surprising, and sometimes alarming, developments, shifts and challenges to the world we thought we knew. In this class, we will dig down into the historical roots of several of the current “hot spots.” *Led by Dr. Jeff Jones, Professor of History at UNCG, Haywood Duke Room.*

## Lent Term: March 10–April 7

**The Great Christian Mystics:** We are all called to be mystics. To be a mystic simply means we have journeyed from an intellectual belief system to actual inner experience. The 20th century gave us incredible Christian mystic leaders including Thomas Merton, Thomas Keating, Cynthia Bourgeault, and Henri Nouwen. Each week we will explore the life and teaching of an influential Christian mystic and their unique invitation to us to experience God’s love in a life transforming way. *Taught by the Rev. Greg Farrand and others, Broome Hall.*

**Living the Questions:** *See description above.*

**Hearing God’s Story: The Narrative of Scripture: (March 17, 24 and 31).** The earliest Christians inhabited a “storied” world. Not only did they inherit Israel’s sacred narrative but they also constructed their own identity around certain stories—stories about God, Israel, the Gentiles and, of course, Jesus. In this class we shall attend carefully to storytelling, first in the Old Testament and early Judaism, and then across the pages of the New Testament, in order to sort out how these ancient stories worked, and how the story of Jesus was treasured and shaped to meet the needs of the emerging church. This class will explore ways to read, interpret and, ultimately, to inhabit the Biblical story. **Week 1: Abraham and God’s Mission for the World . Week 2: Israel and the Torah: A Holy People on Mission . Week 3: Jesus and the Kingdom of God.** *Taught by Dr. Jason Myers, Professor of New Testament at Greensboro College, Haywood Duke Room.*

**Inquirer’s Class:** The Inquirer’s Class is for Holy Trinity Newcomers and New Members who want to learn about the rich faith traditions and practices of the Episcopal Church, current members seeking a “refresher course,” and those who want to explore ways to more deeply live out faith at Holy Trinity. Using *Walk in Love: Episcopal Beliefs and Practices* as a resource, the class is an overview of the history, theology, worship, and practices of the Episcopal Church and an introduction to meaningful ministry at Holy Trinity. The Inquirer’s Class is excellent preparation for adults seeking Confirmation or Reception into the Episcopal Church on June 16. *Taught by the Rev. Mark Lile-King, Smyth Library*

## Easter Term: April 28–May 19

**Theology for the 21st Century:** During this 2-week series (April 28 and May 5), we will explore where and how traditional theological ideas often fail to speak to the conditions of 21st century life. Then we will look at how some emerging theologies speak with greater impact to the needs of a diverse, global, interconnected society. *Led by Dr. Sandie Gravett, Professor of Philosophy and Religion, Appalachian State University, Haywood Duke Room*

**Living the Questions:** *See description above*

Sarah Carver 336-272-6149 or sarah@holy-trinity.com.*

## Feast of Pentecost

Did you know that the feast of Pentecost is often referred to as the birthday of the Church? It is called that because Pentecost is when the apostles went out among the people and began spreading Jesus' message, thus establishing the beginning of the Church. Join the Holy Trinity community on the Labyrinth to celebrate the Church's Birthday.

Sunday, June 9, 10–11:15 a.m., Haywood Duke Room

## Holy Trinity's Theatrical Productions

Holy Trinity Outreach is excited to announce the re-establishment of its Theatrical Productions. The purpose of this ministry is to create a theatrical vehicle through which stories about life's despair and hope, loss and recapture of faith, racial and political divides, and basic pillars of religion and faith may be discussed in open theater performance. The first production will be a performance of *I Never Sang For My Father*, a play by Robert Anderson that tells the story of a son struggling with a father that he never loved, but always wanted to love, and the underlying question of what happens when the children become the parents. This event is free and open to the public. *For more details, please contact the Rev. Nathan Finnin.*

Sunday, March 31, 2p.m., Chapel

## Invite a Friend to Church on Pentecost Sunday

Wear Red on Pentecost and invite a friend to join us at Holy Trinity for this special day on Sunday, June 9. At Pentecost the Spirit filled All people and at Holy Trinity all people are welcome!

## Hot Dish and Hope

Hot Dish and Hope gives us another opportunity to put our faith into action as we serve dinner and a "measure of hope" to individuals and families in need. The fourth Tuesday of each month is Holy Trinity's turn to host the dinner. Volunteers are needed to prepare the dining area, pass out dinner, and help clean up. We will meet at 5:30 p.m. in the Mullin Life Center at First Presbyterian Church located in the 700 block of Greene Street. Parents can pick up their youth at 7 p.m.

## Foyer Groups

Foyer Groups are a fun and easy way for parishioners to gather for a meal on a regular but informal basis to enjoy one another's company, to strengthen community bonds, and just get to know other people who share Holy Trinity as their spiritual home. Groups are made up of singles, couples, young people, retired people, everybody! Foyer groups meet fall through spring. If you are interested in joining a group, please contact Rev. Mark Lile-King at mark@holy-trinity.com, 336-272-6149 x272.

## Men's Spirituality Group

The Men's Spirituality Group is designed to help men grow in relationship, mutual and self-understanding, and spirituality. Our philosophy is based on Richard Rohr's *Reflections on Male Spirituality*. We operate through selected readings, individual sharing, open and confidential listening, and various spiritual practices. *If you would like to join us, please contact Dick Weller at (336) 897-2503. Led by Members of the Men's Spirituality Group.*

2nd and 4th Wednesdays of each month, 5:30–8 p.m.

## Companion Class Faculty:

**Steve Cushman** earned an MFA from UNC-Greensboro and has published seven books, most recently the poetry collection, *How Birds Fly*. He has taught writing workshops at UNCG, Guilford College, The Servant Leadership School of Greensboro, and The Creative Center. More information on Steve and his writing can be found at [www.stvecushman.net](http://www.stvecushman.net).

**Linda Hiatt** has been a yoga student for eleven years, a certified yoga teacher for five years (200 RYT) and is currently completing her 500-hour yoga teacher certification at the Triad Yoga Institute. In addition, Linda is a certified catechist in all three levels of the Catechesis of the Good Shepherd, a religious formation experience for three- to 12-year-olds. Linda believes her dharma (life's purpose) is to share the gifts both these practices bring to the soul's journey.

**Chris Lindley, MA.** With degrees in English literature and theatre, Chris is a self-taught landscape designer having studied and worked abroad after a mid-life career change in her forties. Not only did Chris grow successful design/build landscape companies in both Greensboro and Wilmington but also had her gardens showcased on several tours and in magazines. A longtime participant in our work, Chris is excited to help us create a sacred space to support our regular spiritual practice.

**Money: From Cultural Addiction to Spiritual Freedom Weekend Workshop:**

We will examine our relationship with money and how our patterns of earning, spending, and giving away money offer an intriguing insight into our minds, hearts and acts of service. With the use of Lynne Twist’s book, *The Soul of Money: Reclaiming the Wealth of our Inner Resources*, and other resources, we will work with cultural messages of scarcity and guilt around money and then look at what would happen in our lives as we shift towards experiences of sufficiency, freedom and purpose in relationship to our resources. We will explore money in the context of our call and the dream of God for our lives. *Led by Ruth D. Anderson, PhD*

**March 16, 10 a.m.–1 p.m.**

## Radical Wholeness Weekend Talk and Workshop:

**A Talk – A Journey to Wholeness:** Philip Shepherd proposes a bold thesis with his new book *Radical Wholeness*: as a culture—and so too as individuals—we have become whole-blind. This is the core of a disorder that fragments our lives and is unravelling the ecosystems on which we depend. When we struggle to feel the wholeness of the self or of the present, we can only operate in a world of bits and pieces – and that affects everything we see and do. We feel anxious and disconnected from reality, because its nature is inseparable from its wholeness: to be desensitized to wholeness is to be desensitized to reality. In this wide-ranging talk, Philip brings to life the different world we could create by remembering the wholeness in which we abide. More crucially, he provides practical ways to help you do that, and newly discover the body, the present, and the resonance of your personal life. *Led by Philip Shepherd, author of Radical Wholeness*

**May 2, 7–9 p.m., free and open to the public**

**Radical Wholeness Weekend Workshop:** Move out of your head and into your life. Our deepest yearning is to experience wholeness in our lives – yet too often we feel scattered and off balance. The main source of our fragmentation is that we have been taught to live in our heads. Divided from the breath, the present, and the profound intelligence of the body, we sit in our heads and strain to make sense of it all. This workshop shows you another way of making sense, and helps you experience the body as you never have before. The cornerstone of The Embodied Present Process, this playful weekend provides you with new skills to last a lifetime.

Philip Shepherd has gained an international reputation as a teacher whose breadth of vision and original exercises enable people to escape the enclosed chatter of the head, and ground their thinking in the calm, deep-dwelling intelligence of the body. His workshop provides tools to last a lifetime, even as it gently opens the door to a radical experience of wholeness.

*Class size limited to 30.*

**May 3-4, 10 a.m.–5 p.m.**
